

## Brilliant Display With IPS Technology

The Ideapad Miix 300 tablet comes equipped with a vibrant 10" wide-view (1280x800) display, complete with in-plane switching (IPS) for vivid colors and nearly 180-degree viewing angles. In addition, the 5-point multitouch technology seamlessly integrates with Windows 8.1, giving you more precise control.

## Intel® Atom™ Processor

Fast browsing, stunning visuals, and responsive performance were already hallmarks of this series of quad-core processors for tablets. The latest updates are smaller and more affordable, but just as powerful. Work when you need to, play when you want to – **this tablet's processor will more than keep up.**

## Windows 10

Bing Smart Search, available only on Windows 10, brings you great results from the web, your tablet, apps, and the cloud – all with one search. Enjoy music at your fingertips, easy-to-click images of websites, and new apps.

## Integrated Webcams

The 2MP front and 5MP rear cameras will help you enjoy web conferences or online **video chats like you're really** there.

## MicroSD Card Support

With a microSD slot, you can add up to 64GB of external storage, giving you plenty of space for your favorite movies, music, and work files while you are on the go.

## Online Connectivity Options

With 802.11 a/b/g/n WiFi and optional Bluetooth® 4.0, you'll be able to connect to the Internet wherever you go.
