# POS Receipt Printer

**PRP-085III**

**PRP-088III**

PRP-085III and PRP-088III series are high-quality, low-noise thermal receipt printer speed up to 220mm/sec. and 250mm/sec. respectively, which are ideal for retail environment. In addition to the horizontal printing, PRP-088III series supports vertical and wall mount printing. The splash and dust proof design makes PRP-088III series capable of withstanding harsh environment.
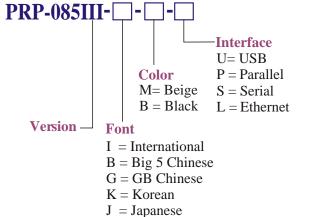

## FEATURES

· Halt-on protect function for overheat
· Available with serial, parallel, USB, and Ethernet interfaces
· Cash drawer connection port (RJ-11)
· Compatible with ESC/POS command sets
· Splash and dust proof design for PRP-088III series
· Support vertical printing and wall mount printing for PRP-088III series
· Drop-and-print paper installation, simple paper jam elimination
· Available with plenty of fonts
· Support OPOS driver
· Support kitchen printing and network printing
· Print and error alarm function. Paper end detection
· Built-in 128K bytes data buffer
