## RJS VERIFIER COMPUTER INTERFACE REPORT (VCIR) SETUP Applies to Part Number 002-6511

NOTE: Some anti-virus software programs will identify our software licensing program as a potential virus. You may need to add an exception to your anti-virus program to install the VCIR software. Please review your anti-virus software vendor's instructions on adding an exception.

Step 1 – Download the software from http://www.rjs1.com/downloads/VCIR\_Software.zip

Step 2 - Extract the VCIR\_Software.zip file

Step 3 – Open the folder where the files were extracted and run the **Setup.exe** program – DO NOT RUN ANY OTHER FILES, doing so will NOT install the software correctly
