154mm Magnetic Card Reader WMC1200

Feature

- Low power consumption
- Compact size, nice design
- Bi-directional swiping
- Support magnetic card /bankbook
- Single track/Dual track/Triple track read
- Customized interface

Function

Interface	RS232/PS2/USB
Decoder	F/2F
Operation speed	15-120 cm/sec (6-50inch/sec)
Operation place	Indoor
Identify efficiency	Above 99.5%
Error rate	Less than 0.5%（JSE test card）
Head life	At least 500,000 times

Card

Card standard	ISO 7811/2
Track	I(IATA), II (ABA), III (MINTS)
Track location	ISO1 (IATA), ISO2 (ABA), ISO3 (MINTS)
Recording density	210 BPI, 75 BPI, 210 BPI
Record character	79, 40, 107
Card thickness	0.76 ± 0.08 mm
Track width	1.5mm

Power

Voltage	+5 V DC ± 5%
Current	65mA (max)

Environment

Operate temperature and humidity	-20°C~70°C, 20~90% RH
Storage temperature and humidity	-30°C~70°C, Less than 95% RH

Physical characteristics

Weight	WMC-1200, Approx. 190g
