

Quick and convenient roll replacement

Dentiform belt driving mode print head

5 lps high speed printing

Streamline structure and never paper jams design

Introduction

SGT-76Pro impact dot matrix receipt and kitchen/bar printers are compact, reliable and optimized for high-speed throughput. They are designed to work right out of the box with mobile POS applications and can print directly from Linux, OPOS and Windows devices. In addition, they offer all the features important to the retail and food service including two-color printing for exceptions, right-side-up printing and crisp, clean logo printing.

Feature

Drop in and print paper loading

- Lift the lid, drop in the roll, and close the lid and print. Nothing could be easier. No more feeding rolls through slots or rollers

Faster and quieter

- Logic seeking, bidirectional print technology allows higher speed than the previous models with much less noise Built-in power supply, 5ips printing

Easy download program

- No more big file transfer on printing, Logo/firmware download program helps you use logo efficiently and easily

Print alarm buzzer for noisy places

- Clear sound to inform you what you should do on this printer.

High operational reliability

- The proven quality by world with up to 18million line printing, installation provides you option of an auto-cutter and take-up, and the ability to print one original plus two copies

Specification	
Print method	9 pins impact dot matrix
Dot density	400dots/line
Interface	Serial/Parallel/USB/Ethernet
Print speed	5line/sec max
Paper diameter	75mm
Line space	4.23mm(can be adjusted by sending commands)
Paper thickness	0.06~0.08mm
Power supply	DC24V/2A
Work environment	0~45℃,Humidity:10~80%
Storage environment	-10~60℃,Humidity:10~90%
Dimension	160*247*155mm (W*D*H)
Character	ANK character: Font A: 9*9dot Font B: 7*9dots Chinese: 16*16dots
Font	GB2312
Data buffer	4k bytes
NV Flash buffer	60k bytes
Cashdrawer out	DC24V/1A
Reliability	Mechanism lifespan up to 15 million lines
Barcode type	UPC-A/UPC-E/JAN13(EAN13)/ JAN8(EAN8)/CODABAR/ITF/CODE39/CODE93/CODE128
Driver	Windows 9X,ME,2000,2003,NT,XP, Linux, Vista and 7,Compatible with EPSON,SAMSUNG
