Zebra China ZipShip Launch: Z-Perform 2100D

Zebra Technologies Asia Pacific is excited to announce the launch of China ZipShip Direct Thermal Paper Label Z-Perform 2100D. Z-Perform 2100D is a premium white top-coated direct thermal paper material with a general purpose permanent acrylic adhesive, ideal for auto-labeling and high-speed printing applications.

VALUE PROPOSITION

Zebra ZipShip offers end users a standard labeling solution that is economic and easy to order. Z-Perform 2100D is the ideal solution for customers who need to perform applications that require strict confidentiality, ribbonless and stable quality. Additionally, end users in Industrial/Warehouse Identification primarily value the ease-of-use and reduced downtime offered by direct thermal printing.

Features:

- White top coated high heat sensitive thermal paper to achieve precise and durable barcoding and imaging.
- Resistance to water, oil & alchohol.
- High tack permanent acrylic adhesive which offers good adhesion to s corrugated surfaces, glass and various plastics with stable performance.
- **Weight:** 75±7g/m^2
  Thickness: 80±9um
  Smooth surface: (Smoothness t-M >500)
  Working temperature: -25 ~ +80°C
- Rohs Compliant, **BPA free** *(BPA:" bisphenol A", which is a chemical substance causes cancer and other functional disorders)*

Applications:

- Industrial Identification/Warehouse Labeling
- General Barcode Labeling
- Standard Lab Identification
- Food & Beverage
- Retail, Supermarket
- Transportation & Logistic
- Government Labeling Applications Requiring Confidentiality
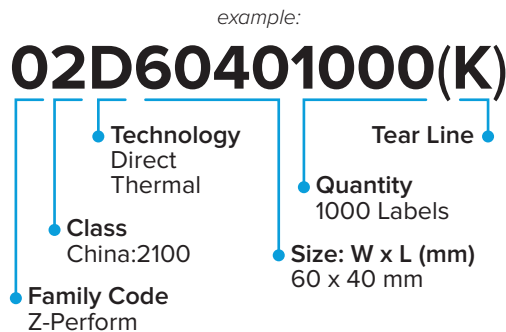

Differentiation:

- Safe and environment friendly. Ideal for F&B and healthcare industry.
- Strong acrylic PSA which offer excellent initial tack and shear, no curl up issue when applied on regular Kraft carton.
- 60g super calendered liner ideal for auto labelling and Photoelectric detection labeling.
- The text can be kept for at least 9 years. *(under certain storage conditions)*
- Longer scan distance.

Product Size:

Please refer to next page for spec of core size.

Understand China ZipShip Label Part Number

Most label part numbers can be broken down in the following manner by the label's component:

example:

02D60401000(K)

Technology
Direct Thermal

Class
China:2100

Family Code
Z-Perform

Tear Line

Quantity
1000 Labels

Size: W x L (mm)
60 x 40 mm

CORE SIZE OF Z-PERFORM 2100D
