moving you forward

WorkFit-D Sit-Stand Desk

For Computer Users

- Enjoy standing or sitting as you work, switching positions whenever you choose. This work style encourages healthy movement throughout the day
- Safe, easy-to-use. Simple installation and effortless operation
- Robust weight capacity holds multiple displays, keyboards, books, phones . . . whatever you need

For IT and Facilities Staff

- Flexible, open-architecture design is scalable for future computer equipment

For HR/Risk Management and Company Cost Savings

- Promote wellness in the daily work routine
- Provide standing work platforms for employees without having to buy expensive height-adjustable chairs
- Research appears to suggest that comfortable computing offers provable ROI on investment—healthcare costs associated with unhealthy computing and missed time are reduced while productivity increases

SIT-STAND FOR WELLNESS AND PRODUCTIVITY

WORKFIT™

Ergotron's WorkFit-D enables effortless sit-and-stand work style, creating a truly ergonomic platform for prolonged computing. Research shows sitting too much isn't healthy, and standing all day is challenging, but freely moving between these positions throughout the day is best. Choose WorkFit and sit and stand throughout your day!

Ergotron has over 15 years experience in making sit-stand height adjustable computer systems, and our effortless, tool-free and non-motorized, patented CF height adjustment technology leads the industry.

WORKFIT™

- Pre-drilled to accept Ergotron Underdesk Keyboard Arm (97-582-009)
- Add Ergotron LCD and laptop display mounts as needed to accommodate individual workflows
- Weight capacity up to 65 lbs (29,5 kg). Listed weight capacity represents total load applied to worksurface. When calculating load, include weights of accessory mounts for keyboard, display(s)
- Patented Constant Force™ (CF™) technology provides 20" (51 cm) of effortless lift
- Four metal glides provide stable footing
