

Item description

Note:

Fit – and forget!

Assembling the new WAGO screwless end stop is as simple and quick as snapping a WAGO rail-mount terminal block onto the rail.

Without any tools!

This allows rail-mount terminal blocks to be safely secured, at low cost, against any movement on all DIN-35 rails per DIN EN 60715 (35 x 7.5 mm; 35 x 15 mm).

Entirely without screws!

The "secret" of the excellent tight fit lies in the two small clamping plates which keep the end stop in position, even if the rails are mounted vertically.

Simply snap on and forget!

In addition, costs are considerably reduced when using large numbers of end stops.

A further advantage is that three marker slots for all WAGO marker systems for rail-mount terminal blocks and a snap-in hole for WAGO adjustable height group marker carriers offer individual marking possibilities.

Data

Technical Data

Main product function	Mounting Accessories
Type of mounting	Carrier rail 35 x 15

Geometrical Data

Width	6 mm / 0.236 Inch
Depth	45 mm / 1.772 Inch
Height from upper-edge of DIN-35 rail	28.2 mm / 1.11 Inch

Material Data

Color	gray
Fire load	0.104 MJ
Weight	3.46 g

Commercial data

Packaging type	BOX
Country of origin	CN
GTIN	4017332270823
Product Group	2 (Terminal Block Accessories)
