moving you forward

WorkFit-TS **Compact Desk Converter**

- Designed for those who want a smaller option or who need a compact converter based on their corner or tight workspace
- Just place the desk on an open surface, mount the keyboard with thumb screws, sit or stand, and you're ready to work
- Provides a comfortable fit with a keyboard tray that easily removes for laptops or crowded work areas—no tools required
- Compact design fits desktop surfaces as shallow as 15.7" (40 cm)
- Offers 10" (25.5 cm) of smooth vertical lift to keep your space, your space
- Works with a single monitor kit to customize your screen height
- Solid metal design creates a stable platform to avoid tipping or sway
- Tested and guaranteed with a full five-year warranty

SMALL FOOTPRINT, BIG POTENTIAL

WORKFIT™

Not all workspaces are created the same. That's why Ergotron's WorkFit™-TS Compact Desk Converter is designed for limited workspace and for workers who prefer a smaller, height-adjustable desk. This compact converter features a keyboard tray to free up room on the workstation and provide a comfortable fit during the workday. The keyboard tray easily removes for laptops or crowded work areas, and you can easily attach a single monitor kit to personalize your screen height.
