- Large worksurface keeps office essentials nearby
- Drop-down tray places your keyboard at the most comfortable ergonomic position
- Offers infinite height adjustment points from an easy-to-find handle with no clicking
- Personalize your fit with multiple monitor riser locations and keyboard height and position
- Ships fully assembled with out-of-the-box installation that gets you standing faster
- Tested and guaranteed with a full five-year warranty

THE NEW STANDARD. FITS MORE PEOPLE.

WORKFIT™

Designed to offer advanced ergonomics out-of-the box, the WorkFit-TX Standing Desk Converter serves up a full 20" (50,8 cm) range of sit-stand motion to give you more flexibility and feel-goodness. The X-shaped lift folds down within inches of your desk for a sleek resting spot that's three inches below our competitors. It fits more users with an extremely low profile that keeps the right monitor to keyboard tray spacing. With a height-adjustable, back tilt keyboard that sits below the worksurface, this ultra-low sit-stand workstation offers the best of both worlds—leading ergonomics sitting and standing.

WORKFIT™

Delivers leading ergonomics sitting or standing with 17" (43,2 cm) of vertical height adjustment, plus 3" (6,2 cm) of independent keyboard adjustment

Premium ergonomics any way you work

Add an accessory monitor mount kit to provide independent screen adjustment and clear more workspace space.
