Quotation

Model Number	Appearance	Description	
3DFTYLP-HB30		30W Raycus 3D fiber laser marking machine with computer	

Technical parameter

Laser Source	China Raycus source
Laser type	Pulsed
Wavelength	1064nm
Output Power	30W
M ² Laser Beam Quality M ²	<1.2
Output power adjusting range	10-100%
Cooling Method	Air cooling

Laser Parameter	Processing Range	200*200mm for 3D surface and flat surface
	Max Speed in X-Y Axis	6m/s
	Max Speed in Z Axis	4m/s @45°
	Min Linear Width	150μm
	Positioning Accuracy	25μm
	Contraposition Accuracy	20μm
	Software	MM3D
	Support picture format	STL,bmp,jpg,gif,tga,png,tif etc
	Support vectorgraph file	AI,PLT,DXF,DST
	Support operating system	Windows10
	Power Demand	Single phase AC 220V 10A
	Package dimensions / GW	77*87*113CM 130kg

Sample pictures

Delivery and Payment Terms

1. Validity: The price is valid in 30 days.

3. Terms of payment: T/T

3. Delivery time: 5-7 working days

4. Warranty period: 2 years for overall machine

Parts details

Item	Description	Picture
Laser source	Raycus laser source, famous brand in China	 A photograph of a Raycus laser source unit. It is a white rectangular device with a yellow laser warning triangle on the top left. A yellow fiber optic cable is plugged into the top. A white manual with the Raycus logo is placed in front of the unit. A black and blue tool is lying in front of the unit.
Scanner head	High speed 3D scanner from Sino-galvo	 A close-up photograph of a white scanner head. A yellow laser warning triangle is visible on the side of the device.
Control card & software	Taiwan MarkingMate 3D	 A photograph of a green printed circuit board (PCB) control card. It features various electronic components, including integrated circuits, capacitors, and connectors. A green circular logo is visible on the board.

Laser source power supply

Original Taiwan Mean Well brand

Tools

All Accessories to help for good working

1. Ruler
2. Safety goggles
3. Inner hexagon spanner
4. foot pedal switch
5. power cable
6. USB Cable

Durable export wooden package
