

# SUNMI M2 MAX Smart Mobile Terminal

A rugged tablet built to improve your store operations.

## Rugged

Featuring IP65 and 1m drop, M2 MAX can stand up challenges in working environments; The Corning Gorilla Glass used in its 10.1" HD screen is more resistant to scratches and abrasions during use.

## Smooth Operations

Equipped with a high-performance octa-core processor and large memory, it can run multiple tasks smoothly.

## Long Run Time

With a built-in 8360mAh battery, it can work 12 hours continuously or stand by for 20 days.

## Highly Flexible

Optional accessories for M2 MAX include hand strap and cradle, only to meet your needs in more business scenarios.

\*Scanner Version: The scanner is non-removable.
