

## 4200 Resin Thermal Transfer Ribbon

### Description:

A high-quality resin ribbon that offers exceptional abrasion and solvent resistance on a wide variety of substrates, while still providing excellent edge definition. This ribbon is an excellent choice for printing dense barcodes and high-resolution graphics, and will even print on some Zebra topcoated paper labels. Its unique resin base provides excellent resistance to outdoor elements and many chemical solvents.

### Suggested Applications:

- General purposes labeling
- Shipping and receiving labels
- Horticulture labels
- Automotive labels
- Hazardous material labels

### Technical Specifications

4200 Resin	
<b>Color</b>	Black
<b>Ink Formulation</b>	Resin
<b>Base Film</b>	Polyester
<b>Base Film Caliper</b>	4.5 microns +/- 0.3
<b>Total Caliper</b>	6.9 microns +/- 0.5
<b>Scanning Capabilities</b>	IR and Visible Light

**Recommended Storage Conditions:** 41°F to 95°F (5°C to 35°C) at 20% to 85% RH

**Shelf Life** 1 year

All products should be pre-tested to ensure it meets all intended requirements of specific end-use applications.
