

4200 Resin Thermal Transfer Ribbon

Description:

A high-quality resin ribbon that offers exceptional abrasion and solvent resistance on a wide variety of substrates, while still providing excellent edge definition. This ribbon is an excellent choice for printing dense barcodes and high-resolution graphics, and will even print on some Zebra topcoated paper labels. Its unique resin base provides excellent resistance to outdoor elements and many chemical solvents.

Suggested Applications:

- General purposes labeling
- Shipping and receiving labels
- Horticulture labels
- Automotive labels
- Hazardous material labels

Technical Specifications

4200 Resin	
Color	Black
Ink Formulation	Resin
Base Film	Polyester
Base Film Caliper	4.5 microns +/- 0.3
Total Caliper	6.9 microns +/- 0.5
Scanning Capabilities	IR and Visible Light

Recommended Storage Conditions: 41°F to 95°F (5°C to 35°C) at 20% to 85% RH

Shelf Life 1 year

All products should be pre-tested to ensure it meets all intended requirements of specific end-use applications.
