3 Reason to have One Object One Identity

Customer feedback and voice

Collect feedback

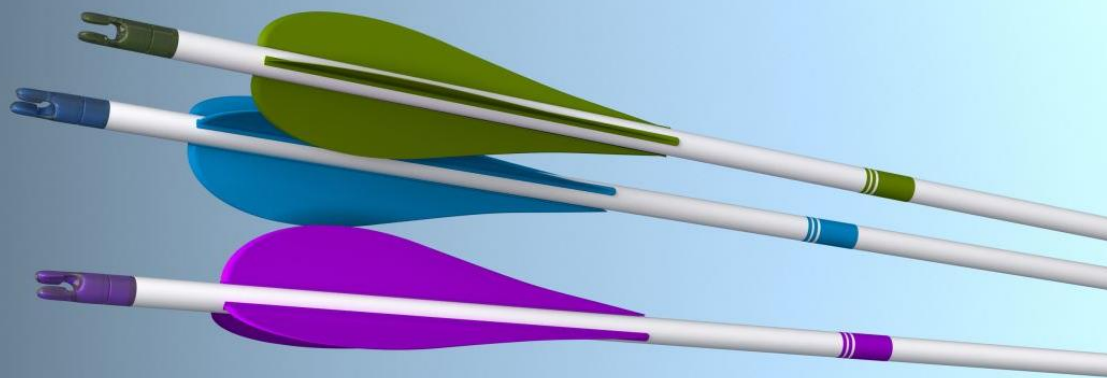

Product marketing

Warehouse Automation RFID

Invoicing validation

Stock Take

- Production traceability
 - Supplier
 - Worker
 - Environment Data

Customer Feedback

Focus on

Customer Feedback

- Only got the voice of distributor.
- All the voice going thru filter and flowering.
- Voice come back not consistent and misinterpret

A blue speech bubble graphic with a white border and a white dot, set against a background of faint concentric circles. The text 'RFID implementation' is centered within the bubble.

RFID implementation

Focus on

RFID

- I want RFID but focus on lost prevention.
- Mis-understanding and calculate the cost factor.
- I want beep beep and all done. Watch edited short video clip.

Production Traceability

Focus On

Manufacturing Execution System (MES)

- Mostly is 1 way from top to bottom method.
- Via planning give to production.
- Reverse way of recording and feedback is not completely capture.
- Not easy to the capture production data and improvement to be perform.
